Writing, photography & tales from daily life on Italy's Amalfi Coast, through the eyes of Laura Thayer, an American writer, blogger, photographer and art historian.

When I started sharing photos last summer on [Instagram](#), little did I know I had joined such a wonderful community where I would make new friends and connect with Amalfi Coast lovers from around the world. Along the way Instagram became my favorite social media channel for sharing beautiful little doses of the Amalfi Coast throughout the year. Naturally, some of Instagram users I enjoy following the most are also devoted to the Amalfi Coast. From luxury hotels to fellow expats, these are the Instagrammers to follow for Amalfi Coast travel inspiration and daydreaming – wherever you may be!

## Villa Tre Ville

The most beautiful spot on the Amalfi Coast been found. No need to look any further. Have you heard of the Villa Tre Ville? Once the private villa of acclaimed Italian film director and producer Franco Zeffirelli, the villa boasts an exclusive setting with postcard perfect views of Positano and the most remarkable décor and setting. It's the place for a romantic Amalfi Coast getaway. If you can't get there soon, then head over to [@villatreville](#) to settle in for a good dream. Just save me a spot on that sofa!

If your Amalfi Coast crush is the mountain village of Ravello, then let me introduce you to the [@ravello](#) Instagram feed. (You're welcome.) The daily doses of Ravello beauty will brighten any day and give you plenty of travel inspiration for your next Amalfi Coast trip.

## Exclusive Cruises

It's easy to imagine sailing off into the Amalfi Coast sunset following the [@exclusivecruises](#) Instagram feed as they share photos of their private boat tours and charters. While the dreamy photos make me wish I spent more time out boating, what I particularly enjoy is the mix of photos, great dining spots and lifestyle experiences on the Amalfi Coast.

## Le Sirenuse

I would expect nothing less than spectacular from the luxury hotel Le Sirenuse in Positano, and their Instagram account [@lesirenuse](#) constantly has me dreaming of Positano. I love seeing the photos they share from guests and reading the comments from previous guests and travelers counting down the days until their arrival at Le Sirenuse. They've built a great community!

## **Nicki in Positano**

For a glimpse of daily life in Positano, follow [@nickiposi](#) to see beautiful views from Nicki's walks high up in the mountains, kayaking on the sea with the ever so cute Holly and Positano charm throughout the year.

## **Hotel Caruso**

Zippering back down the coast to Ravello, follow [@hotelcaruso](#) to escape to a dreamy world of luxury Ravello-style. That infinity pool. Oh that infinity pool. There's so much more, but that infinity pool is enough to stop my Instagram feed scrolling to a grinding halt every single time.

## **Instagram Amalfi Coast Community**

One of the best spots for daily doses of Amalfi Coast beauty in your Instagram feed is to follow [@ig\\_amalficoast](#). They share images all along the Amalfi Coast from users around the world, and I look forward to seeing what they'll share every day. If you're fond of a particular village, you'll find Instagram communities for most of them, including [ig\\_atrani](#), [ig\\_ravello](#) and [ig\\_positano](#). (Yay ... bonus Amalfi Coast Instagrammers to follow!)

## **Bell'Avventura in Positano**

Don't you just want to join Rosa Bella at that table and chat about life in Positano as the wisteria petals flutter to the ground? Follow her on Instagram at [@bellavventura](#) for beautiful moments of daily life from one of the prettiest terraces in Positano.

## **La Selva, Positano**

High in the mountains above Positano with an enviable view, La Selva shares everything good about life that I love: fresh food, yoga and the Amalfi Coast. Follow them [@la\\_selva\\_positano](#) to share the goodness.

**Ciao Amalfi**

To wrap up this Amalfi Coast Instagram love letter, I'd like to invite you to join me on Instagram to discover the authentic Amalfi Coast throughout the year. You can find me [@ciaoamalfi](#). See you on Instagram!
